

Scouts and Scoutmasters,

This email is to inform you that **Aquatics Camp 2010** has been canceled as of 10May2010. It was my hope that this program would have been a great success for West Central Florida Council. However, it has proven not to attract the number from council Troops that we need to run the program successfully without creating a financial burden for WCFC. As of 5/10/2010 we had roughly 1/3 of the number needed to carry out this camp while operating in the black .

If you are registered you have the following 3 choices:

- 1) If you have registered for Aquatics Camp 2010 and would like a FULL refund that will be available to you through Ms. Ross at the council service center. I ask that you email her the following information: Scouts Name, Mailing address, Contact Number, and Parents Name. This is due to the fact we will be cutting checks.
- 2) If you have registered for Aquatics Camp 2010 and would like to attend either week 1 or 2 of Traditional Summer Camp at Sand Hill Scout Reservation please go to the link below and fill out the Provisional Application for your week of choice. You will be given a discounted rate of \$180 to attend one (1) of the weeks as a Provisional Camper. There will be no additional Provo fees besides program fees as outlined in the SHSR Leaders Guide.

<http://www.sandhillscoutreservation.com/www/files/Provisional%20%20Application.pdf>

- 3) If you have registered for Aquatics Camp 2010 and would like to attend SHSR with your Troop please contact your Scoutmaster (SM) who is in charge of your Troops summer camp and have them email Ms. Ross at abbross@bsamail.org so you can be added to your troops roster. You will receive a discounted rate at \$180 which will be applied from your Aquatics Week fee. You will then only be responsible for program fees as outlined in the SHSR Leaders Guide.

I apologize for having to make this decision it was not a easy one. It is my hope that this program will be able to be run possible in the future when our summer may not be so packed.
